EC201 – Intermediate Microeconomic Analysis

Fall 2025 | Enrollment: 19 | Response Rate: 42%

Selected Student Comments

- *Sabhya is very clear and methodical in her explanations of class material.*
- *Ms. Gupta is very hard working and try to let student to solve the problems they don't know.*
- *Extremely helpful, very nice and patient, helps with every problem we have*

EC202 – Intermediate Macroeconomic Analysis

Spring 2025 | Enrollment: 67 | Response Rate: 34%

Selected Student Comments

- *When asked a question, Sabhya provides a detailed and clear explanation. This goes simply beyond the final answer, but providing both the intuitive and, when applicable, mathematical explanation behind the problem.*
- *Her willingness and patience when answering every question, both in terms of coverage, but also understanding.*
- *Her welcoming nature, her passion for the subject and for teaching the subject, and her additional office hours before midterms and finals*
